

LA on the Verge

of a transit breakthrough

Move LA's 4th Annual Transportation Conversation

Friday, February 24, 2012 8am to 3pm
Union Station, 800 N. Alameda Street, Los Angeles, CA 90012

Join Move LA, legislators and major stakeholders for a conversation on accelerating Measure R-funded transit expansion and community building around transit stops.

DISCUSSION TOPICS

Getting the 30-10 Plan Done

Where are we now — on the homefront and in Congress?
Where are we going, and how do we get from here to there?

New Resources for Transit

Which are the best bets? State or regional sales tax? Fuel fee or VMT fee? Public/Private Partnerships?
Lowering the voter threshold to 55 percent? Cap & Trade revenue? Extend Measure R?

A 2012 Transit & TOD Legislative Agenda

Tax increment financing for transit-oriented development? Infrastructure financing districts?
There are a few good bills in the hopper and a few that passed last year but could be made better.
Legislators will be on hand to help us discuss an agenda.

The Future of TOD & Lessons Learned in Hollywood

In Hollywood, tenants, business people, property owners, social service providers and churches came together under the leadership of LA City to revitalize one of LA's most historic and downtrodden neighborhoods.
What are the lessons learned for neighborhoods around new lines and stations?
